EXORDIUM

Founded in the year 1955, Birla Institute of Technology, Mesra, was the brainchild of Mr. B.M. Birla, a visionary and an industrialist in the true spirit. Ever since its inception, the institute has churned out qualified engineers who have been on the cutting edge of development, whether it be technological or cultural. Our institute has grown by leaps and bounds, both in terms of quality of education and also with respect to opportunities it has offered. Various student clubs that exist on campus have helped students develop holistically, planning the diverse fields of arts, culture, humanities and sports. A healthy spirit of achieving versatility is the guiding light by which we propel.

DEAN'S ADDRESS

I am pleased to announce that this is the forth edition of Vajra. Following the previous successes, I have full faith on the organising team to make this year's Vajra a complete triumph. Furthermore, I expect an increased participation from all across the country. I wish for a successful event this year and promise my heartfelt support in making the fest reach a newer zenith.

*Dr. Anand Sinha
Dean Students Welfare*

VAJRA

Birla Institute of Technology, Mesra, has always help sportsman-ship in high regard. To make sure it's students are actively in-volved in sporting activities, the institute has placed a plethora of resources at their disposal. It was hence that we, the students of BIT Mesra, were tempted to take the inspiration and turn it into a signature- a fest that would underline the passion of sports that exists within all of us.

Vajra, in essence, symbolizes a thunderbolt or a mythical weapon, especially weilded by Lord Indra. It symbolizes an uproar of strength and athleticism, all that underlined true char-acteristics of sportsmanship.

The main objective of the fest is to bring together like minded sports persons from across the nation and give then a platform to compete on a stage of non-bias.

SOCIAL CAUSE

With the melting glaciers, some areas may no longer be a part of the landmass. Communities and businesses will have to migrate and many animals will lose their natural habitat only to become extinct. Such will be the heartbreaking impact of the climate change that the world is struggling to face.

Jay Inslee has rightly quoted, "We are the first generation to feel the sting of climate change, and we are the last generation that can do something about it." Climate crisis is nothing but a devastating description of climate change and global warming. It is used by scientists, governments and other organisations to describe how the anthropogenic effects of humans on the climate are proceeding. This horrifying advancement is so quick that the world is facing a global crisis. Changing several habits of human beings is the only way to put a semicolon to these climatic changes. It is about time for us to bid adieu to many things that the world has grown accustomed to.

This VAJRA, we not only aspire to bring out the best in sports but also pledge to face climate crisis in good faith and solidarity to improve the climatic conditions of our planet.

SOCIAL IMPACT

The "Climate Crisis" humanity is facing is a direct repercussion of careless and callous behaviour of human beings. Being ignorant to the effects of "Climate Change", we have become accustomed to many trivial activities in our day to day life which trigger a harmful chain reaction and disturb the equilibrium of Mother Earth. Individually, every of us are capable of reducing our carbon footprint by adopting certain harmless changes in our day to day life. Banning the use of plastic bags, leaving electronic devices unplugged when not in use and going paperless are just some of the methods. We must also pledge to keep minimal contribution in polluting our environment by getting the "Pollution Under Control Certificate" for vehicular emissions. Our team will ensure to spread awareness about the ways to counter and control the wrath of nature that humanity is facing. VAJRA'19 promises to have a remarkable social impact through various online and offline ventures of this fest.

EVENTS

The rising nerves of spectators are calmed by a spiking volleyball brushing deep into the net of the opponent. From lightning fast smashes to gently placed drops, volleyball is a sport that does a great job in improving the reflexes and reaction time of the players. This fast paced sport definitely demands a high physical stamina and won't let your brain stay stagnant. Played in teams of six on each side, it requires envisaging and executing plans as a unit. With coordination and team work being the key facets of the game, volleyball is a must follow game. VAJRA'19 will leave no stone unturned to keep up with the buoyant spirit of the sport and its followers.

A sport rings in with competence and vigour which need not always be external. An internal fierceness, a mental preparation, a play of wits - all hail one sport - Chess. To play the opposition's mind, to trace the next move and to pave tough roads through them, brings about the very spirit of this sport. The best to keep your strategies on board is to actually keep them on the Chess board. If you have the confidence in your moves to disquiet your opponent with your strategies then, Vajra provides the perfect ground to showcase your moves.

Test format checking the patience, One-Day Internationals demanding consistency and T20 format being lit by power-packed hits out of the park, all formats of the game pull the crowd instantly. With 11 players in each team competing to win, no 6 balls in an over have the same zeal. Though laced with singles, doubles and boundaries, an inning gets life when pressure is embraced and victory is achieved. With time and tide, cricket has evolved as an emotion. VAJRA'19 continues to enliven the sport and it's teachings with great enthusiasm.

Table tennis, an exemplary coalition of violent action amidst an atmosphere of complete tranquility is a sport to consider the walls better than players. Having it's origin from the Victorian England where it was played amongst the upper class, the sport is now a significant part of the summer Olympics. This is a sport where the players try to score by dodging the opponents and demands dedication as well as a hearty brain workout.

Talent wins games but teamwork and intelligence wins championships! Starting from peach baskets to the perfectly round hoops, people have various experiences and journeys associated with this game. In case you feel that your are the right person to basket that ball perfectly in a round hoop without fail against an army of 5 players, VAJRA'19 is all set to cheer and encourage you. Let the teams win and intelligence conquer!

The echoing sounds of the crowd is a perfect clue of a football stadium. With the ball oscillating from one extreme of the pitch to another in just a span of 90 minutes, this high energy sport requires intense physical stamina to dodge the ball from 11 players of the opposition and hit it onto the net shielded by a goalkeeper. Backing team work and coordination, it's a robust game with the referee pitching in to solace the environment of play. VAJRA has this flamboyant sport for you right on the park.

Badminton is a widely played leisure sport that helps to boost the physical fitness and motor skills of the shuttlers. Smashing the shuttlecock across the net, the players attempt to score by dodging the opponent's energetic returns. With the rising popularity of this sport in the international level, everyone has become interested in testing their flexibility and agility by means of an exciting badminton game. If you ever wonder whether your smashes would do wonders in the court or not, fret not as Vajra'19 provides you an opportunity to conquer the court.

BIT Mesra's Vajra 2018 concludes

TAMES NEWS NETWORK

The third edition of Vajra, BIT Mesra's annual inter-college sports festival, concluded on Sunday. The festival, which began with a flag hoisting ceremony on Friday, invited three DAs to keep the audience on their feet till midnight. The institute's vice-chancellor M.K. Mishra, faculty members and 80 athletes from more than 25 engineering colleges of eastern India attended the festival.

The students competed in different sporting events, including basketball, football, table tennis, cricket, basketball and volleyball.

The first two days witnessed preliminary rounds in all seven sport categories for which various teams battled it out for a place in the finals on Sunday. Ramgarh Engineering College won the football final defeating BIT Sindri 3-2 in the penalty shoot-out. The host team emerged victorious in several events, including cricket, basketball (both men and women categories), volleyball (men) and basketball (women). St. Xavier's College defeated the hosts in basketball women's final. In volleyball, the women's team of SSNT college (Dumka) beat the hosts to become champions.

बीआईटी में वज़ की हुई शुरुआत

जासं, रांची : बीआईटी मेसरा के वार्षिक खेल महोत्सव वज़ का आगाज शुक्रवार को विश्वविद्यालय के मैदान में हुआ। खेल महोत्सव में राज्य के कई कॉलेज और विश्वविद्यालयों ने भाग लिया। वज़ के अंतर्गत कई खेलों का आयोजन किया गया। कार्यक्रम की शुरुआत कुलपति एमके मिश्रा ने की। इसके बाद विभिन्न स्थानों में अलग-अलग खेलों का आयोजन किया गया। तीन दिवसीय खेल महोत्सव वज़ हर साल आयोजित होता है। इसमें शतरंज, बास्केट बॉल, बैडमिंटन, टेबल टेनिस आदि मैचों का आयोजन किया गया। रविवार को वज़ का समापन कॉलेज परिसर में किया जाएगा। शतरंज टूर्नामेंट में छह कॉलेज की टीमों ने भाग लिया। पुरुष बास्केटबॉल टूर्नामेंट में 12 टीमों ने भाग लिया। इसी प्रकार महिला बास्केटबॉल का भी आयोजन हुआ जिसमें सात टीमें शामिल हुईं। पुरुष और महिला वर्ग में टेबल टेनिस टूर्नामेंट हुआ। महोत्सव में चार क्रिकेट और बैडमिंटन मैच का भी आयोजन हुआ।

APPRAISAL

It gives me immense pleasure to convey my best wishes for VAJRA. BIT mesra has always been a respectful institution, creating able engineers for our country. I sincerely hope that this national level venture of yours attains success and benefits budding athletes and sports person to hone their skills.

DEEPIKA KUMARI

Indian Women's Archery Team

VAJRA is a great platform for the sport enthusiasts to compete with teams from some prominent institutions across the country and prove their mettle in their respective fields. I extend my heartfelt wishes and gratitude towards VAJRA and hope that the forth version of the fest emerges as a major success.

ISHAN KISHAN

Indian First Class Cricketer

I am glad to learn that BIT Mesra has planned to organize an Inter College Sports Festival. It is because of such determined endeavour that a conducive environment for sports is cultivated. Heartiest congratulations and best wishes to the organizing team.

SYED SABA KARIM

Former Indian Test Cricketer

it is a well known fact that sports in india is not being promoted as career option. Hence I'm really glad that BIT Mesra, being one of the premier technical colleges of our country, takes the initiative to organise a sports fest like VAJRA on such a big scale. Heartiest congratulations to the organizing team.
